

*Rationality, Management Learning and Education:  
Reconceiving and Reinvigorating the Role of Reason in  
Managerial Practice*

an

**ACADEMY OF MANAGEMENT LEARNING & EDUCATION  
PAPER DEVELOPMENT WORKSHOP**

Thursday, May 9–Friday, May 10, 2019  
Location: Copenhagen Business School, Denmark

The editors of Academy of Management Learning & Education (AMLE) invite applications for a Paper Development Workshop (PDW) connected to a Special Issue in AMLE on:

*Rationality, Management Learning and Education:  
Reconceiving and Reinvigorating the Role of Reason in Managerial Practice*

The workshop will be hosted by the Department of Management, Politics and Philosophy at Copenhagen Business School, Denmark, on May 9-10, 2019.

The main focus of the workshop will lie on paper development for the Special Issue through roundtable presentations by authors, followed by discussions of authors' work led by at least one of the members of the AMLE editorial team. There will also be presentations related to the special essay section in which philosophers and organization and business school scholars debate. Throughout the intent is for authors to contribute to, and receive, actionable feedback that can then be incorporated into their papers. Please consult the call for papers for the Special Issue for further information on relevant topics and approaches.

As space is limited, preference will be given to participants who are presenting working papers that demonstrate good fit with the Special Issue theme and which show potential for development. Those who wish to have their paper reviewed and discussed should submit an extended abstract (between 5 and 10 pages of text) by **Friday, April 12, 2019**. Please note that participation at the workshop does not guarantee the inclusion of the paper in the Special Issue.

Before you submit your extended abstract please make sure that it is appropriate for AMLE by reading AMLE's Information for Contributors located at <http://aom.org/Publications/AMLE/Information-for-Contributors.aspx>.

There is no fee for attending the workshop. Participants will be responsible for their own travel and accommodation costs.

We may have places available for students and scholars who wish to attend without submitting a working paper. In this instance, please submit your CV by the submission deadline (Friday, April 12<sup>th</sup>, 2019). Such attendees will be accommodated if there is space on a first come, first served basis.

If you have any questions and inquiries, please contact: [amle@aom.org](mailto:amle@aom.org).

If you have questions for the editorial team, then email the AMLE Editor, Bill Foster ([wfoster@ualberta.ca](mailto:wfoster@ualberta.ca)); or the local host Morten Thaning ([mst.mpp@cbs.dk](mailto:mst.mpp@cbs.dk)).
