**Paper and Idea Development Workshop**  
**May 3-4, 2018**  
**Toulouse Business School**

The editors of *Academy of Management Journal (AMJ)* invite applications for a Paper and Idea Development Workshop to be held at the Toulouse Business School and co-sponsored by the Toulouse Business School and the Montpellier Business School. The workshop will be on 3-4 May 2018. The purpose of the workshop is to develop ideas and working manuscripts with the aim of later submission for review at *AMJ*. Consistent with the mission of *AMJ*, submissions on all management-relevant topics, at all levels of analysis, and using all empirical methods are invited for the workshop. Submissions approved for inclusion in the workshop will be those judged to make potentially significant and novel theoretical and empirical contributions to the field.

**About the Workshop**

The workshop is a one-and-a-half day event and will include presentations by *AMJ*'s editorial team, as well as presentations and roundtable discussions from participants. This event is hosted on the campus of the Toulouse Business School in the heart of Toulouse, France, and co-hosted and co-sponsored by the Montpellier Business School. A tentative agenda is given below.

### Application Process

Participation in the workshop is by application only. In order to maximize the number of projects discussed at the event, only one author per project will be able to attend. **Interested scholars should submit an extended abstract (between 5 and 10 pages of text) of their project proposal by March 1, 2018, to Jason Shaw ([jason.shaw@polyu.edu.hk](mailto:jason.shaw@polyu.edu.hk)).** The abstract should describe the project, the intended theoretical contribution, the research design, the empirical approach, and the status of the project idea to date.
