

Academy of Management Discoveries and BML Munjal University, India, offer a unique opportunity for management scholars to develop their work for possible publication in AMD.

## Publishing in *Academy of Management Discoveries*

June 17<sup>th</sup>, 2020 | 4 - 5:30 pm (IST)

The speakers in this webinar will provide information about the distinct nature of papers submitted to AMD, inform potential authors about the nature of the journal's review process, and end with answering questions researchers may have about developing ideas that may be suitable for submission to AMD. The speakers will engage in a lively discussion on (a) the need for empirically-driven research grounded on abduction and induction as a basis for new insights and theoretical development in management, as well as (b) the key success factors for publishing such research in AMD.
