Academy of Management Discoveries (**AMD**) -- *the journal for empirical exploration in management and organizations* -- invites you to its regional paper development workshop. The purpose of this workshop is to help authors develop their ideas for papers that may ultimately be submitted for review in *AMD*.

AMD is currently listed on the Emerging Sources of Citation Index and is expected to receive a top-tier journal impact factor within the next 2 years.

About the Workshop:
This event will include presentations by *AMD's* editor, **PETER BAMBERGER**, as well as Associate Editor, Junqui Shi Hands-on paper development discussions will follow the plenary session. All attendees are encouraged to attend the breakout discussions.

Please contact amd@aom.org with questions and inquiries.

Presentation topics include:
- Abductive (as opposed to deductive and inductive) reasoning as a necessary basis for research in management and organizations
- Plausibility vs. Confirmation, and the distinctive nature of *AMD* papers.
- Surfacing phenomenon: Phenomenology and scale development research in *AMD*
- Meta-analysis and replication research in *AMD*
- Using big/secondary data as a basis for theoretical insight
- How to maximize the odds of paper acceptance in *AMD*

Roundtable paper development sessions:
- Feedback on extended abstracts that authors are considering for submission to *AMD*
- A select number of extended abstracts will be presented, discussed and developed.
- Table discussion is led by an AMD Editor or Associate Editor.
- **Discussions are open to all attendees.** Discussions will focus on the abstracts submitted and accepted for discussion at the workshop.
- Discussions will focus on framing, methodological rigor, empirical follow-up, interpretation, and specifying directions for down-the-road theorizing

WORKSHOP STRUCTURE
Welcome
Plenary Session: *AMD* -- The Journal for Empirical Exploration
Break – Refreshments will be available
Break-out sessions for extended abstract review and paper development ∗ Editor gives feedback on extended abstracts ∗ Authors give 5 minute presentation to the group. ∗ This is followed by 10-15 minutes of Editor and participant feedback

Link to REGISTER and/or Upload your Extended Abstract: https://form.jotform.com

Please also send your extended abstract to: chenjingqiu@sjtu.edu.cn
The deadline to submit your abstract is: *February 15, 2019*
Abstracts will be accepted on a competitive basis.

- As space is limited, preference will be given first to those whose papers are being discussed in the roundtables. Additional spots will be allocated on the basis of first come, first served.
- Those who wish to have their paper reviewed and discussed should submit an extended abstract (between 5 and 10 pages of text) of their papers or paper ideas by ***February 15, 2019***
- The abstract should provide a synopsis of the research question, its relevance and significance, a statement relating to the limited ability of extant concepts and/or theory to provide a coherent response to that question, the empirical approach, and the implications of the findings for down-the –road theorizing.
- Extended abstracts should be about 10 pages, double spaced, excluding tables, figures and references. To upload your abstract at a later date, click 'EDIT SUBMISSION' from your confirmation email.
- Before you submit your extended abstract please make sure that your extended abstract is appropriate for AMD by reading AMD's Mission Statement and Principles and the FAQ's.
- You may also view the AMD Workshop Experience video.
- Those who wish to participate in the workshop without submitting a paper for review and discussion need only register (Select "Attending without submitting an abstract" on the form).
