Paper and Idea Development Workshop

June 25, 2019, ISCTE-IUL

Lisbon, Portugal

The Editors of *Academy of Management Journal* and *Academy of Management Review* invite applications for a paper and idea development workshop prior to the European Academy of Management (EURAM) conference on June 25, 2019, in Lisbon. The purpose of the workshop is to develop theory and empirical papers that could later be submitted for review in one of these flagship journals of the Academy of Management.

About the Workshop:

The workshop is a full-day event and will include presentations by Editors-in-Chief Jay Barney and Jason Shaw, as well as intensive roundtable discussions with participants and members of the editorial teams.

Application to the Workshop:

Participation to the workshop is by application only; space is limited. In order to maximize the number of projects discussed at the event only one author per project will be able to attend.

Interested scholars should submit an extended abstract (between 5 and 10 pages of text) or full manuscript of their project proposals by May 20 2019 to AMJ assistant Hannah Webb (amjeditorialassistant@gmail.com). The abstract should summarize and describe the project and

whether the paper or idea is more suitable for discussion with AMJ or AMR editors. Invitations to the workshop will be made by June 1, 2019.
