The editorial team of *Academy of Management Journal* (AMJ) invites applications for a Paper and Idea Development Workshop to be hosted by the University of Queensland Business School in Brisbane on Thursday, 2 April 2020. The goals of the workshop are to provide information about the AMJ review process and develop ideas and working manuscripts with the aim of later submission for review at AMJ. Consistent with the mission of AMJ, submissions on all management-relevant topics are invited for the workshop, with a particular focus on qualitative methods at any level of analysis, and quantitative research on micro topics.

About the Workshop

The workshop is a one-day event. It will include presentations by members of AMJ's editorial team, Deputy Editor Jennifer Howard-Grenville, and Associate Editors Andrew Nelson and Ivona Hideg. It will also feature a discussion between an editor and author of a recently accepted AMJ article, as well as roundtable discussions with participants. There is no fee for attending the workshop.
